Sydney Living Museums and the State Library of New South Wales will present our annual full-day History Extension seminar, focused on the History Project, online this year.

Date Thursday 11 November 2021

Time 9am–2:15pm

Event details Online via Zoom

We are proud to present a range of talks and workshops, delivered by practising historians, archaeologists and museum and library professionals, that offer students fresh insights into historiography. This is an exciting opportunity for Year 12 students to develop their research skills and gain invaluable advice, resources and inspiration as they embark on their own History Projects.

While the usual cost of attending this event is \$20 per participant, some subsidised places are available.

Please note that the students at your school are eligible to apply for subsidised places.

For more information about subsidised places for this event, or to apply, please contact the State Library of New South Wales on 02 9273 1778.
